Principal's Desk

Dear friends,.....

I express the heartfelt appreciation to our new issue of 'VIMALA RHYTHMS' our enlightened newsletter. Our target is focused on increasing student engagement and achievement. The students, the jewels of Vimala, take part in various extracurricular and co-curricular activities. They also bring to notice the improvements required in various areas in the campus life. The academic excellence is not only enough to make students as outstanding performers but they should also be best in extracurricular activities too. We have ample opportunities to grow and must utilize them.

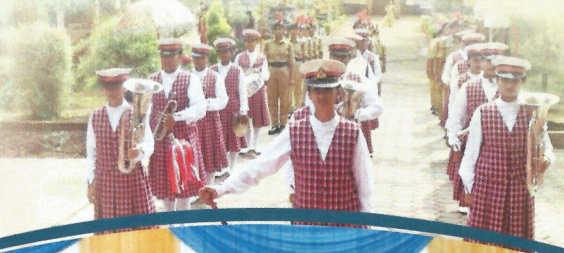

I extend my heartfelt wishes to VIMALA RHYTHMS, which express the exemplary academic success and high social responsibility.

Inauguration of the Golden Jubilee Year & Declaration of Autonomous status

Inauguration of College Day by M.K.C. Nair Vice Chancellor of KUHS, Thrissur
